

Vow-Making

What vows would you make today for your relationship? How would you covenant to love one another from this day forward? Take some time to discuss with your spouse those things that are relevant to your marriage today. Explore your sense of God’s plan for your marriage in the future. Then, write out your vows to each other. This may be humorous or solemn; it may be romantically, sappy, or tender; you may create it in the form of a song, a poem, or a letter. As a couple, you are unlike any other. You do not need to please anyone with this – it is for you. Be as creative and unique as you can!
